

“Great Preparation for Winter hoops programs”

The Spalding-Halftime Sports **SUNDAY FALL Development Basketball Program (presented by City of Milton)** is for players who want to improve their overall game in a controlled, game-like condition while being taught and coached the fundamentals of basketball in a fun environment. The Halftime Sports/City of Milton Sunday FALL Development Basketball Program promotes leadership skills amongst players and promises equal playing time with all players. This unique hoop vehicle allows a place for players to “Just” play, be creative and enhance their skills.

Our instructors will provide a pre-game development session and then start the games. Players will play in age-specific groups and will be assigned teams, which will play every Sunday Night in an organized, professional and safe environment.

This will be the best, exciting overall development of basketball a player can receive during the Fall season. **If your player wants to play better in his/her rec league, feeder team or high school team, then this is for Him/Her!**
