

Halftime Sports “Hoops City” Basketball Camps will do our best to promote event safety by implementing the following:

A COVID Responsible Camp -Safety First

### **Building Entry Procedure**

All session participants whether player or spectator will be vetted the following way:

- Temperature will be taken before entry into gymnasium (If player or camper has temperature above 100.4, then that player cannot enter gymnasium and refund will be made available to the parent within 7-10 business days). This will be conducted with a thermal scanner as each person enters the building and allows for a non-evasive system which is highly accurate
- Qualifying questionnaire (Have you been affected by COVID, do you have symptoms)
- Lien waivers will be signed prior to camp/clinic/league during registration process
- Each event staff member/counselor/coach will be vetted prior to entry into gymnasium
- Mask will be available for purchase at Check in gate
- Signage at all entrances to instruct campers that they cannot enter if they have been diagnosed with COVID-19, have exhibited symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 with the past fourteen (14) days.
- Signage at any entrance and throughout the facility to instruct campers of the enhanced sanitation procedures, Social Distancing requirements, and other instructions and limitations
- Utilizing contactless forms of Campers check-in and check-out
- All bathrooms will be clean and sanitized and all frequently touched surfaces regularly throughout the opening hours in addition to the regular cleaning schedule. Shared restrooms must be sanitized no less than twice per day

### Game Play

- All **Game balls** will be wiped down with germ sanitizing solutions prior to and during camps/clinics
- Each bench chair will be sanitized prior to each camp/clinic day
- Bleachers and event chairs will be sanitized prior to each game or camp date
- Pre-determine seating and standing areas will be identified prior to the camp start

### Campers

- Campers will be encouraged to bring hand sanitize wipes or gel to camps
- Screening Campers at drop-off and preventing any Camper from entering that exhibits a temperature greater than 100.4 degrees Fahrenheit, cough, shortness of breath, difficulty breathing, other respiratory symptoms, or at least two of the following symptoms: chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell
- Requiring that any persons exhibiting a temperature greater than 100.4 degrees Fahrenheit, cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, or new loss of taste or smell at any time while at our camp shall be separated from the group immediately and must leave the camp facility as soon as practicable
- Requiring parents dropping-off and pick-up campers to remain in their vehicles
- Prohibiting unnecessary visitors to camp activities and facilities
- No Camp tours
- Encouraged to wash hands with soap and hot water during every break
- There will not be any money changing hands at our camps/clinics for concessions or late sign ups. All concession purchases and late sign ups must be completed on-line
- Campers **must** bring their own basketballs into the venue.
- There will be a separate designated space for each camper to store personal belongings throughout the duration of the camp.
- We will not use camp facilities and equipment that are not able to be regularly sanitized
- To the extent possible, allowing only one group to use camp equipment at a time
- Sanitize camp equipment after each group use

#### Campers (continued)

- If our venue has other patrons, outside of our camp, we will prohibit contact between campers and the venue's other patrons and require sanitization before and after camp use of any such shared venue
- Provide hand sanitizer stations for campers, and staff (requiring regular use)
- Require campers to wash or sanitize their hands during each group restroom break, snack break and meal break
- Campers must bring their own lunch and snacks with them to camp each day, with all food items being in a sealed lunch bag marked with camper's name
- Staffers will wear gloves when helping campers open items from meals and snacks

#### Staff

- Requiring any worker or camper that has stayed home sick, been prevented from entering camp due to signs of illness, or been sent home during camp due to signs of illness shall not be permitted to attend camp again until they have either had a negative COVID-19 test or have been fever and fever medication free for seventy-two (72) hours, other symptoms have improved, and at least ten (10) days have passed since symptoms first appeared
- Staffer and workers will be trained on how to identify symptoms of illness in campers, proper processes for removing a potentially ill camper, and the infection mitigation procedures to perform such an event
- Isolation area for sick workers and campers available on site
- To the extent necessary, limiting **groups** of thirty (30) persons or less, including workers and campers, in a space where all persons gathered can maintain at least six (6) feet of distance between themselves and any other person
- To the extent possible, keeping same workers, and campers in the same group for the duration of the camp
- Staffers will enforce Social Distancing between groups, prohibiting gatherings, and prohibiting congregating among campers belonging to different groups
- Staffers will have masks or other Personal Protective Equipment available to them and appropriate function and location of staffers within the camp facility
- Mask or other Personal Protective Equipment will be available to campers and appropriate to the activity and location of campers within the camp facility
- We require staffers to patrol camp areas to enforce the equipment sanitization policy and conduct additional cleanings during times when equipment is not being used

We will provide updates related to these new measures or let you know about any additional precautions to take when they become necessary. We appreciate your cooperation in following these new procedures as we work together to maintain the highest health and safety standards as an organization.

We will adhere to all CDC guidelines
